

[For Immediate Release]

Singamas is Added to MSCI Hong Kong Small Cap Index

Further Strengthens its Competitiveness in Capital Markets

* * * *

(Hong Kong, 30 November 2017) – World-leading container manufacturer and logistics services provider **Singamas Container Holdings Limited** (“Singamas” / the “Group”) (stock code: 716) has been added as a constituent stock in the MSCI Hong Kong Small Cap Index, to be effective after the stock market closed on 30 November 2017.

Mr. Teo Siong Seng, Chairman of Singamas, said, “We are glad to be included within the MSCI Hong Kong Small Cap Index. We will continue to take every opportunity to strengthen our market position and capture the rising opportunities within the market, all aimed at generating satisfactory returns for our shareholders.”

MSCI Indexes are key benchmarks for institutional investors investing in global equity markets. They cover companies with good operational results and solid potential. Among these indexes, the MSCI Hong Kong Small Cap Index is designed to measure the performance of the small cap segment of the Hong Kong market. With 90 constituents, the index represents approximately 14% of the free float-adjusted market capitalization of the Hong Kong equity universe. The index is reviewed quarterly with the objective of reflecting change in underlying equity markets in a timely manner.
